EXPERIENCE

[KERTIS](#), Louisville, KY — *Video Production Intern*

June 2023 - December 2023

- Supported the creative team in the creation, development, and continuity of a variety of creative assets (i.e., video and photo projects).
- Shot and edited diverse projects, working directly with producers and creative directors to make sure that communications are clear, schedules and expectations are met, and the best products get delivered.
- Brainstormed creative strategies for production, shooting video on location, and editing content into a variety of products.

[Jonathan B. Murray Center for Documentary Journalism](#), Columbia, MO — *Student Documentary Filmmaker/Director*

Aug 2022 - May 2023

- Directed, filmed, and edited a short documentary film (EXPOSED) through Jonathan B. Murray Center for Documentary Journalism over a year, exploring the progression and maintenance of the rare skin disease, Xeroderma Pigmentosum (XP).
- Premiered film at the Stronger than Fiction Film Festival in May 2023.

[Columbia Missourian](#), Columbia, MO — *Staff News Videographer/Photographer*

Jan 2022 - May 2022, Jan 2023 - May 2023

- Produced, shot, and edited short documentary projects for news digital forums (i.e., website and social media pages).
- Collaborated and brainstormed with editors, reporters, and other staff members on stories to ensure accuracy and relevance for publication.
- Visually explored stories within the community to better understand complex issues.
